Release of "I AM SLIIT" Mobile Application

Students can now download the "I AM SLIIT" app from the **Google Play Store** for Android devices and the **Apple App Store** for iOS devices.

Once installed, students can log in using the same credentials they use for their SLIIT email accounts (same credentials used to access student360.sliit.lk).

Once accessed, students should be able to view the following details related their respective profiles.
